A Big Commitment
to the Littlest Patients

TexomaCare-Pediatric and Adolescent Medicine

We specialize in the care of children and young adults through every stage of development. Here are some summer safety tips to help your kids have a happy, healthy summer.

1. **Cover up.** Yes, it’s hot out. Use a sunscreen for your child with at least 15 SPF (sun protection factor) that protects against UVA and UVB rays.

2. **Play safe.** Do this quick playground safety check: The safety-tested mats or loose-fill (like sand or wood chips) should be at least nine inches deep.

3. **Don’t bug out!** To avoid ticks, tuck in loose clothing when hiking. Make tick-checks a routine when you’re coming in from outdoors.

4. **Keep water handy.** Kids should drink four to six ounces of water every 15 minutes before, during and after exercise to stay hydrated.

5. **It’s good to be hardheaded!** Kids who bike should be wearing helmets. Helmets should have the Consumer Product Safety Commission (CPSC) seal of approval.

Summer 2019 will be The City of Denison’s pilot year for a summer-long, day-long youth day camp. Denison DREAM Camp is made possible through a partnership between the Denison Parks and Recreation Department, Denison Public Library, and Denison ISD. DREAM stands for what we hope your children will take-away from our program: Discovery, Recreation, Education, Adventure, and Memories! Our staff recognized a community need for a quality, supplemental summer youth program. Denison DREAM Camp is designed to complement existing programs in the area. Campers will explore new activities, learn new sports, develop friendships, and learn more about their community. Denison DREAM Camp presents a perfect opportunity for youth to jump into an adventure and create long-lasting friendships. We have designed our program to fit the hours and needs of busy working parents. Campers can be dropped off as early as 7am and picked-up as late at 6pm. Children are given the structure and programming they crave when away from home or school, accompanied by unstructured creative time to relax with unique themed weeks that will explore Nature, Our Community, Sports, the Arts, and STEM fields. We plan on visiting fun and educational places in the region like the Heard Natural Science Museum and Wildlife Sanctuary, Frank Buck Zoo, Obstacle Warrior Kids, Hagerman National Wildlife Refuge, and more! We offer 2 4-week sessions. Parents can register their Campers for a single session or both sessions.

Denison Dream Camp is made possible through a partnership between the Denison Parks and Recreation Department, Denison Public Library, and Denison Independent School District. DREAM stands for what we hope your children will take away from our program: Discovery, Recreation, Education, Adventure, and Memories! Our staff recognized a community need for a quality, supplemental summer youth program. Denison DREAM Camp is designed to complement existing programs in the area. Campers will explore new activities, learn new sports, develop friendships, and learn more about their community. We have designed our program to fit the hours and needs of busy working parents. Campers can be dropped off as early as 7am and picked-up as late as 6pm. Children are given the structure and programming they crave when away from home or school, accompanied by unstructured creative time to relax with unique themed weeks that will explore Nature, Our Community, Sports, the Arts, and STEM fields. We plan on visiting fun and educational places in the region like the Heard Natural Science Museum and Wildlife Sanctuary, Frank Buck Zoo, Obstacle Warrior Kids, Hagerman National Wildlife Refuge, and more! We will offer 2 4-week sessions. Parents can register their Campers for a single session or both sessions.

Summer 2019 will be The City of Denison’s pilot year for a summer-long, day-long youth day camp. Denison DREAM Camp is designed to complement existing programs in the area. Campers will explore new activities, learn new sports, develop friendships, and learn more about their community. Denison DREAM Camp presents a perfect opportunity for youth to jump into an adventure and create lasting friendships. We have designed our program to fit the hours and needs of busy working parents. Campers can be dropped off as early as 7am and picked-up as late at 6pm. Children are given the structure and programming they crave when away from home or school, accompanied by unstructured creative time to relax with unique themed weeks that will explore Nature, Our Community, Sports, the Arts, and STEM fields. We plan on visiting fun and educational places in the region like the Heard Natural Science Museum and Wildlife Sanctuary, Frank Buck Zoo, Obstacle Warrior Kids, Hagerman National Wildlife Refuge, and more! We will offer 2 4-week sessions. Parents can register their Campers for a single session or both sessions.

sjennings@heardmuseum.org
972-562-5566

Learn about the butterflies of our area, how to identify them, and the role they play in nature. This program will include a visit to the butterfly garden to see them in various stages of their development. This talk is designed primarily for adults and may not be suitable for children younger than 10 years. Interested youth may attend with an adult. Talks are led by Melanie Schuchart, one of our key butterfly volunteers. This presentation will last about an hour followed by a walk through the butterfly house and garden. This program is included in seasonal general admission and free for Heard Museum members.

The centuries-old art of walking on a log during river drives evolved into a fun and exciting competitive sport! Rollers square off “two at a time” in an effort to roll their counterpart off the log and into the water. Rollers use their amazing footwork to roll the log with both forward and backward revolutions, changing pace and direction to disrupt the balance of their competition. Beginners spend most of their time learning to stay on the log by themselves. Once this occurs they begin to roll other students, and eventually compete in tournaments! Any type of clothing that you can move around in and get wet is perfect for log rolling! Most folks just roll in their swimming suits or athletic shorts and tops. Aquasocks are good! If you don’t have any shoes that can be worn you can go barefoot. The logs we use are KeyLog artificial log rolling logs. If you are able to stay on the log for more than five seconds on your first try, you’re already better than most! Everybody, even the pros, struggled in their first year with this sport. That said, log rolling is probably the most fun you’ll ever have falling off of something.

Swim Levels Preschool Aquatics -Preschool Aquatics aims to promote the developmentally appropriate learning of fundamental water safety and aquatic skills by young children. Red Cross Preschool Aquatics teaches aquatic and safety skills in a logical progression through three levels of courses (3 years - 5 years) Learn-to-Swim (5 levels) * Red Cross Learn-to-Swim consists of five comprehensive levels that teach people of varying ages and abilities how to swim skillfully and safely. Each level includes training in basic water safety. All aquatic and safety skills are taught in a logical progression. The objective is to teach people to swim and to be safe in, on and around the water. The five levels include: Level 1 - Introduction to Water Skills - Age: 4+ For the beginner who is comfortable in the water. Swimmers learn basics of swimming: bobbing, going under water, supported front and back floating, supported rolling over from front to back and back to front, supported gliding, supported flutter kick, supported front crawl arms and jumping in. Level 2 - Fundamental Aquatic Skills - Age: 4 - 5+ Swimmers should already be able to float on front and back and put head under water. Swimmers will work on: independent front and back floating, independent rolling over from front to back and back to front, independent front and back glides, front crawl arms and kicks, back crawl arms and kicks, retrieving underwater objects, and jumping into water over their head. Level 3 - Stroke Development - Age: 5 - 6+ Swimmers should already be comfortable swimming front stroke and swimming on their back. Swimmers will work on: gliding, freestyle with side breathing, backstroke, breast stroke and dolphin kicks, retrieving objects in deeper water, treading water, jumping into deep water and compact dives. Level 4 - Stroke Improvement - Age: 7+ Swimmers should already be able to: swim front and back crawl 25 yards. Swimmers will work on: rotary breathing, freestyle, backstroke, elementary backstroke, scissors kick and sidestroke, whip kick and breaststroke, intro to turning at wall, treading water with modified scissors, and diving in kneeling position. Level 5 - Stroke Refinement - Age: 8+ Swimmers should already be able to: swim freestyle, breaststroke and backstroke 25 yards, scissors kick, whip kick, treading water, and dive. Swimmers will work on: alternate breathing, stride jump, refinement of: freestyle, backstroke, elementary backstroke, sidestroke, breaststroke, dolphin kick and butterfly, open turn on front and back, feet-first surface dive, and treading water.

Metroplex Aquatics Denison Swim Team Metroplex Aquatics is a USA year-round competitive swim team. We offer high quality professional coaching and technique instruction for swimmers in Grayson County/Bryan County Area. Ages typically range from 6 - 18. Swimmers must be able to swim one length freestyle and backstroke to join. The goal of our team is to provide every member an opportunity to improve swimming skills and achieve success at his or her level of ability, from novice to High School swimmer Metro strives to provide swimmers with the best in aquatic training through great technique foundations, outstanding coaching, and a great ratio of swimmers to coach. Our team's goal is to allow each swimmer to reach their individual potential in competitive swimming while enjoying interaction with other swimmers. Participating in swim meets is optional, but encouraged, as it allows the swimmers to see the results of their hard work and get competitive feedback from the coaches. Meets are also a lot of fun!

The World’s Largest Swimming Lesson event is designed to build awareness about the vital importance of teaching kids to swim to help prevent drowning. What’s exciting about the WLSL event is that so many organizations and individual aquatic facilities are coming together to make it happen. This year’s event is a great way to kick off the official start of summer. Of course, being safe in and around the water requires more than just swimming lessons. But, learning to swim and the exposure to the water safety skills and messages that swimming lesson offers provides a lifelong foundation for drowning prevention. The lesson is FREE and every participant who attends will receive a certificate of completion, a special arm band and more!

Race to different places around the world. Kids will race from continent to continent uncovering clues and attempting challenges and discover that, no matter where we live, what shade of skin we have, or what language we speak, we are all part of the same race- the human race- and all part of the same family from Adam and Eve. As they examine the events surrounding the tower of Babel, kids will learn that God is calling people from every tribe and nation through his Son, Jesus Christ, the Savior of the world. And that he wants us to share this good news in kindness and love with our neighbors nearby and far away. Join us and experience God’s love for every tribe, language, and nation.
